2027 VIETNAM PACKAGE GUIDE · FROM THE VALLEY TO VIETNAM

Experience Vietnam, *your way.*

15 private trips for families, barkada and couples: your own van, your own pace, and an itinerary you control. Traveling solo or as two? Join one of our group tours. Planned with care from Echague, Isabela.

Private trips

Just your group, your van and your driver.

Leisure only

No forced shopping stops or "factory tours".

You're in control

Keep our plan, change it, or build your own.

Clear prices

What's in, what's not, airfare estimates too.

WHY TRAVEL WITH ALAB

Private. Leisure. *Yours.*

ALAB TRAVEL & TOURS

The trips in this guide are **private leisure trips**: we don't mix your family with strangers, and we don't build shopping stops into your day. The itinerary in this guide is a starting point: **you have full control** over it. Keep it as is, swap days, slow it down for Lolo and Lola, or tell us to start from scratch.

01 Private, never joiner

Your own air-conditioned car or van and driver. No waiting for other groups, no sharing seats with strangers.

02 Purely leisure

No forced shopping, no "quick lang 'to" pasalubong detours. Want to shop? Tell us and we'll plan it in.

03 Your car, your rules

Stay longer at the café, add a photo stop, skip a place you don't like. Just tell your driver, within the day's hours.

04 We plan with you

No copy-paste itineraries. We ask who's coming, who can't eat spicy, who needs rest, then build the trip around them.

You control the *itinerary.*

Change the hotel tier, add a day, drop a stop, move the beach day, add a birthday dinner. Every change is re-priced openly before you say yes. Overtime and extras are only charged if you agree first. **No yes, no charge.**

HOW OUR PRICES WORK

Two versions. *No surprises.*

ALAB TRAVEL & TOURS

Every package comes in two versions. Both are private, both use the same hotel, car, dinners and main attractions. The difference is how much guiding and how many extras you want. **"Starts at"** is the Essential price per adult for a group of 5 (2 on the trips for two, 6 on Trip 12). Bigger groups pay less per person because the car and guide are shared by more people.

ESSENTIAL

Lighter on the budget

Same private trip, guided on the key day(s) only. On the other days you explore with your private driver and our day-by-day guide sheet. A few secondary extras become add-ons you can switch on.

- ✓ Same hotel, private car/van and driver
- ✓ Same dinners and signature attractions
- ✓ English-speaking guide on key day(s)
- ✓ Travel insurance

STEP 1

Airfare + travel tax are paid first so we can lock your seats while fares are good.

WHEN TO GO

Your 2027 *Vietnam calendar.*

ALAB TRAVEL & TOURS

Vietnam is long. In the same week, Hanoi can be cold, Da Nang rainy and Saigon sunny. So the best month depends on where you go. Use this as a planning guide; we'll always tell you honestly if your dates fall in a rainy or typhoon season.

*Tết (Lunar New Year) is Feb 6, 2027. Holy Week 2027 is Mar 21–28.

Best time to go · Good, with a catch (cold, hot or short rains) · Be careful: heavy rain, storms or freezing

❄ cold · ☂ rain · ☀ hot

HOLY WEEK · MAR–APR

Anywhere you like

One of the best times for the whole country. Book early: it's peak season for Filipino travelers.

SUMMER BREAK · APR–JUN

Da Nang & Hoi An

Beach season in Central Vietnam. Perfect for school-break family trips.

CHRISTMAS · DEC

Hanoi & Sapa, or the South

A cold Christmas up north, or dry and sunny days in Saigon, Da Lat and Phu Quoc.

TẾT · JAN–FEB

Saigon, Da Lat, Phu Quoc

Flowers and lights everywhere, but flights are busy and some shops close. Book months ahead.

SEP–NOV

Hanoi, Sapa, Ninh Binh

Cool autumn air; Sapa's rice terraces turn golden around September.

UNDAS · EARLY NOV

Hanoi or Saigon

Skip Central Vietnam this month: it's the peak of the rainy season.

Weather changes year to year. Check the forecast a week before you fly. Peak dates (Tết, Apr 30–May 1, Sep 2, PH Holy Week, Christmas) may add hotel surcharges and higher airfares.

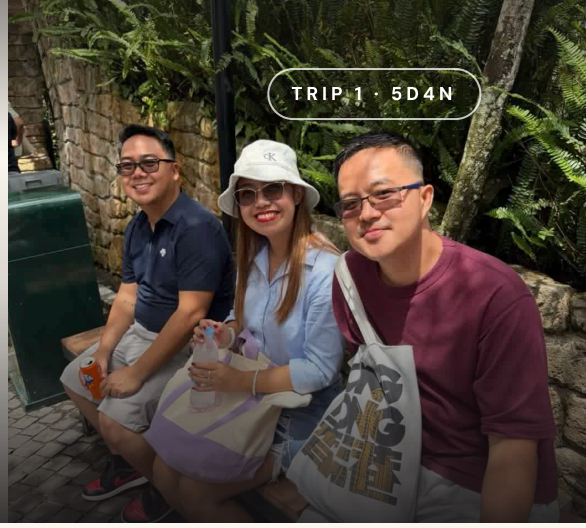

ALAB TRAVEL & TOURS

How booking works

1. **Message us** with your dates, how many are coming (kids and seniors too) and the trip you like (private, or a group tour).
2. **Get a price range** on Messenger first. No commitment.
3. **Review your proposal**: day-by-day plan, hotel and full price breakdown. Change anything you want.
4. **Book with a downpayment**. We buy your flights right away, then you pay the land price monthly.
5. **Get your trip pack**: final itinerary, hotel details, driver contact and our guide sheet.

Important: prices in this guide are indicative 2027 land arrangement prices per person, twin sharing, at the group sizes shown, based on supplier rates and exchange rates as of November 2026. They are not a booking or a final quote. Your final price is confirmed in your written quotation and may change with dates, group size, hotel availability, peak-season or holiday surcharges, ticket price changes in 2027 and exchange rates. Airfare figures are estimates only and are not included in the package price. Hotels are "or similar", subject to availability. Downpayments are non-refundable once flights or services are booked.
